**Earn High Profits For Your Teams! NO UP FRONT COST \* NO HIDDEN COST \* NO SHIPPING \* PAY FOR WHAT YOU SELL, RETURN THE REST**

## **HERE'S HOW IT WORKS**

1. This is an easy and fun program, there is NO Deposit to participate, Just pick the cards you want to sell and tell us how many you need. (we recommend at least 5 cards per seller),

To order the cards ~ Fill out our online consignment agreement, and we will ship the cards directly to your door.

2. Your fundraiser will runs for 3 week! The cards are easy to carry and the kids will have fun selling them to their family members, neighbors and friends.

They're really easy to sell because the coupons are from restaurants we all use on a regular basis. And who doesn't like to save money! and still be able to donate to a good cause, right!

3. At the end of the 3 weeks you will send back any unsold cards in good condition along with your check for cards sold and you keep the rest as major profit!
4. We have great management forms to keep you organized and to help you track the cards you give out to your kids and how many.

The forms will also help you keep track of top sale individuals who qualify for your in house prizes.

This is such an **AWESOME** and **EASY** fundraiser to **Empower our youths** in the community or any School ~ Athletic Group in need of raising money.

**YOU JUST MADE 60% CLEAR PROFIT WITH NO UP FRONT PAYMENT**

Even thou I have gone through some of the details of the program you may still have some questions,
